Dear Kim:

Thank you for allowing me this opportunity to provide specific data as it relates to the operation of the Lynchburg Regional Convention & Visitors Bureau. Referencing your correspondence dated April 1, 2004, please review the following:

2. What are the actual expenses for each of the 3 fiscal years?  
*Supporting documents are attached.*
3. What is the individual value or ROI of each of the marketing methods used.

**Sales Calls/Sales Missions**

Face to Face sales calls are conducted to fully qualify a prospect for potential.

Sales missions usually involve more than one day of sales calls (a overnight trip).

The group sales managers goal is to conduct a minimum of one sales mission per month. This effort will result in a minimum of four to six appointments each.

Monthly meetings of professional organizations such as the Virginia Society of Association Executives, Meeting Professionals International - Virginia Chapter, Society of Government Meeting Planners, and Virginia Association of Convention & Visitors Bureaus are incorporated into the monthly sales missions. These meetings provide an opportunity to network directly with the meeting planners.

Leads that generate business are tracked by the LRCVB as reflected in our Closed/Won Sales report.

- g) National Tour Association 2003 – 21 appointments

The above listed Group Trade Shows, Group Marketplaces and Group Leader Shows are open participation and do not require appointments for attendees. All contacts are made within the booth. The above listed Group Tour Marketplaces do, however, require appointments to participate. All business cards and completed sales call forms are collected from each show and followed up with group collateral, phone calls and customized itineraries. The sales managers enter leads that are fully qualified for potential into our database for ongoing follow up. Leads that generate business are tracked by the LRCVB as reflected in our Closed/Won Sales report. We are aware that some of these leads prefer to book directly with our area lodging and attractions. Therefore, those numbers are not reflected on our Group Sales Reports.

***Direct Mail Campaigns***

Since 2001 we have organized several direct mail campaigns. Three were directed to the participants of the VSAE Fall Marketplaces and were a "Prize Upon Return" card in the booth. These campaigns were designed to increase flow in the booth. We also completed two direct mail campaigns that focused on the military reunion market. We used mailing lists obtained from military planner magazines and while they have generated interest, they have not generated a direct lead for business to-date. We have conducted several press release mail campaigns that were directed to travel writers, magazine and newspapers and have resulted in articles, editorials and other print coverage providing exposure for our area.

***Marketing and Advertising***

Our marketing and advertising efforts include our print advertising as well as contacts with media and travel writers. The LRCVB carefully selects how valuable advertising dollars are spent in order to achieve the maximum benefit for the Lynchburg area and attract visitors to the community. Based on research data from the Virginia Tourism Corporation (profile of the Lynchburg Visitor) and feedback from our tourism community (through focus group meetings and individual feedback), we select publications that most closely fit the LRCVB's target audience. Research is a key element in measuring the success of advertising strategies and in directing appropriate future placements. We survey our visitors at the Lynchburg Visitor Center for demographics, 800# use, we ask the visitor how

Lynchburg Regional Convention & Visitors Bureau

they heard about Lynchburg, what their interests are (civil war, history, entertainment, etc) and if they are lodging. Our advertising print campaign ROI is outlined in the report you received last month.

Familiarization (FAM) tours and Travel Writers are hosted by the LRCVB. Since January 2001, we have hosted two FAM tours; a group of Canadian AAA Club Directors and the most recent was the Statewide Welcome Center FAM. AAA club members make their travel arrangements directly with their club representatives and are not directly tracked through the LRCVB. The statewide FAM has shown an immediate response with individual bookings for lodging and attractions. (We have received phone calls from a Bed & Breakfast and the guests directly to make us aware.) The LRCVB has also been asked to provide a permanent display about our area at the I95 Bracey Welcome Center. This will be the first permanent display at a state Welcome Center for Lynchburg. Since 2001 we have hosted travel writers and editors from publications in South Carolina, DIE ZEIT Newspaper - Germany, Southern Living, and The Teaching Learning Network. These have resulted in overall general interest articles about our area as well as event specific articles.

4. Why is there such a wide variance in the ROI in print advertising campaigns over the past 3 years?

To determine the ROI the total advertising expense was divided into the estimated campaign revenue. The ratio tells us how many dollars are generated for every dollar we spent on advertising. The variance would directly relate to the different advertising amounts each year.

The chambers finances are calculated annually (January – December) The ROI was calculated using the calendar year end figures for both consumer and group advertising. The 2001 figures included an additional \$33,004.00 in grant funds from The Virginia Tourism Corporation and the Virginia Foundation for the Humanities. The 2002 figures included prepayment of several ads for 2003.

In addition, other variances in the ROI can be attributed to the residual of ads placed in the previous years. We continue to receive inquiries from print ads that were placed 12-18 months out depending on the shelf life of the publication the ad appeared in.

I hope that this information is helpful. Please let me know if you have any additional questions.

Sincerely,

Lisa K. Meriwether  
VP of Tourism Services

THIS LEASE AND OPERATING AGREEMENT, made and entered into this 1<sup>st</sup> day of January 2001, by and between the CITY OF LYNCHBURG, a municipal corporation of the Commonwealth of Virginia, hereinafter referred to as the "CITY", and LYNCHBURG REGIONAL CHAMBER OF COMMERCE, a Virginia Corporation, hereinafter referred to as the "LRCC".

### **WITNESSETH:**

WHEREAS, the CITY is the owner and former operator of a public facility known as the Visitors Information Center that is currently located at 216 12<sup>th</sup> Street, Lynchburg, Virginia:

WHEREAS, the CITY desires to further enhance travel and tourism in Lynchburg by transferring the operation of the Visitors Information Center and the management of the Lynchburg Regional Convention & Visitors Bureau to the LRCC; and

WHEREAS, the LRCC desires to continue the operation of the Visitors Information Center and the management of the Lynchburg Regional Convention & Visitors Bureau;

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants and agreements herein contained, the parties do hereby mutually covenant and agree as follows:

### **I. PREMISES:**

The CITY hereby demises, leases and rents unto the LRCC, and the LRCC hereby takes, accepts and rents from the CITY, the Visitors Information Center building located at 216 12<sup>th</sup> Street, Lynchburg, Virginia (hereinafter referred to as the "Premises"), and the surrounding grounds. Title to the leased premises during the term of this Lease and Operating Agreement (hereinafter referred to as the "Agreement") shall remain in the CITY.

### **II. TERM:**

This Agreement shall be for a term of five (5) years beginning on the 1<sup>st</sup> day of January, 2001 and ending on the 31<sup>st</sup> day of December, 2005. Upon termination of this Agreement, the LRCC shall

promptly and in good condition, surrender the Premises to the CITY, ordinary wear and tear excepted.

### III. RENTAL:

The LRCC agrees to pay the CITY the sum of one dollar (\$1.00) per year payable upon the first day of each year as rental for the Premises.

### IV. TOURISM ADVISORY COUNCIL:

As part of this Agreement, the parties hereto agree to continue the Tourism Advisory Council (TAC) that was previously established by the CITY and LRCC. The Tourism Advisory Council will continue to be responsible for advising the LRCC on the operation of the Lynchburg Regional Convention & Visitors Bureau for the purpose of developing travel and tourism in the Lynchburg area. Although the LRCC will maintain authority over and responsibility for the tourism operation, it will delegate primary review of the Lynchburg Regional Convention & Visitors Bureau decisions to the Tourism Advisory Council. Those decisions shall include, but not be limited to, advertisement placement, advertisement design, design of printed materials, and development of a marketing plan (action plan). The Tourism Advisory Council will also advise the LRCC on administrative issues which it believes are impacting the Lynchburg Regional Convention & Visitors Bureau. The Tourism Advisory Council will serve in a solely advisory capacity on administrative policy issues. The Board of Directors of the LRCC and its President will be responsible for the development of the overall budget of the Lynchburg Regional Convention & Visitors Bureau, hiring and supervising of employees, and the day-to-day operation of the Visitors Information Center and the Lynchburg Regional Convention & Visitors Bureau.

The CITY and the LRCC shall select six (6) members each to serve on the Tourism Advisory Council. One (1) of the CITY's six (6) members shall be the CITY-funded Director of Economic

Development, which individual shall also serve as the liaison between the CITY, the Tourism Advisory Council and the LRCC for the purposes of this Agreement.

The LRCC's Chairman will be responsible for appointing the Chairman of the Tourism Advisory Council from its twelve (12) members, whose term will be one (1) year. Tourism Advisory Council members will serve three (3) year terms with initial appointments designed to establish a rotation of one-third (1/3) of the Tourism Advisory Council members annually.

#### V. OPERATING FUNDS AND REPORTS:

A. (i) The CITY will advance LRCC operating funds to be used by the LRCC for the administration and operation of the Visitors Information Center and the Lynchburg Regional Convention & Visitors Bureau. The advances will be calculated on an annual base contribution by the CITY of \$180,000. The operating funds will be paid to LRCC in advance in four equal quarterly payments.

(ii) Each year the CITY agrees to supplement the base figure with (a) a fifteen thousand dollar (\$15,000) contribution which LRCC will use to hire and develop a comprehensive, on-going advertising campaign and (b) a fifteen thousand (\$15,000) contribution which LRCC will use to promote Lynchburg as a center for sporting events in Virginia. LRCC can request payment of these contributions after July 1 of each calendar year. The contributions will be paid to LRCC within 30 days after LRCC submits a written request for payment. The two fifteen thousand dollar (\$15,000) contributions are stand alone programs. By February 1 of each year LRCC will file an annual report with the CITY for the proceeding year outlining the accomplishments and benefits to the public from these two programs. If the CITY decides the public is not receiving the anticipated benefits from these programs the CITY may discontinue either or both of the fifteen thousand dollar (\$15,000) supplements.

(iii) The annual base figure [paragraph (i) above], the two fifteen thousand dollar (\$15,000) contributions [paragraph (ii) above], and 50% of any growth in the CITY'S revenues from lodging taxes in excess of \$680,000 that were collected by the CITY during the previous fiscal year will be the CITY'S contribution to be paid to LRCC. Until June 30, 2001, the lodging taxes contribution will be paid at a rate of \$78,208 per quarter. Beginning July 1, 2001 the lodging taxes contribution will be paid quarterly in advance. For the period beginning July 1, 2001 and ending June 30, 2002 the lodging taxes contribution will be calculated on the amount of lodging taxes actually collected by the CITY for the previous fiscal year ending June 30, 2000. For the period beginning July 1, 2002 and ending June 30, 2003 the lodging taxes contribution will be calculated on the amount of lodging taxes actually collected by the CITY for the previous fiscal year ending June 30, 2001. For the period beginning July 1, 2003 and ending June 30, 2004 the lodging taxes contribution will be calculated on the amount of lodging taxes actually collected by the CITY for the previous fiscal year ending June 30, 2002. For the period beginning July 1, 2004 and ending June 30, 2005 the lodging taxes contribution will be calculated on the amount of lodging taxes actually collected by the CITY for the previous fiscal year ending June 30, 2003. For the period beginning July 1, 2005 and ending December 31, 2005 the lodging taxes contribution will be calculated on the amount of lodging taxes actually collected by the CITY for the previous fiscal year ending June 30, 2004.

(iv) Beginning July 1, 2000, and extending for the duration of this agreement, the CITY will collect a \$1.00 per-night-per-rented room use fee from each commercial lodging facility. Thirty (30) percent of the funds collected will be forwarded to LRCC. The CITY and LRCC will determine a payment schedule for the thirty (30) percent of funds collected.

B. Within 30 days after the end of each quarter LRCC shall file quarterly reports with the CITY which shall include information and statistics from the Visitors Information Center, room

counts from participating hotels, spread sheet contacts, Virginia Retail Sales with area comparisons, the activities of the Director and Group Sales Manager, an update on the activities of the Sports Capital of Virginia, etc. By February 1 of each year LRCC will file an annual report with the CITY for the preceding year updating and summarizing the information contained in the quarterly reports. Expenses, budget program progress, anticipated revenues, and work program/action plan will be reviewed and discussed at such other times as LRCC Board and the CITY Council deem appropriate.

#### VI. VISITORS INFORMATION CENTER LOCATION:

The Visitors Information Center shall continue to be operated at the existing location or such other location as may be agreed upon by the CITY and LRCC.

#### VII. LYNCHBURG REGIONAL CONVENTION & VISITORS BUREAU EMPLOYEES:

The LRCC shall operate the Visitors Information Center at a sufficient staffing level that will enable it to adequately fulfill its responsibilities under this Agreement and to maintain its status as a State certified Visitors Information Center. The LRCC agrees that all LRCC employees staffing the Visitors Information Center and working with the Lynchburg Regional Convention & Visitors Bureau, if otherwise eligible, shall be provided with the insurance and retirement benefits which are provided to other LRCC employees.

#### VIII. VISITORS INFORMATION CENTER FURNITURE AND EQUIPMENT:

The CITY has furnished LRCC with the furniture and equipment listed on Schedule "A", attached to this Agreement and by this reference made a part hereof. Title to said furniture and equipment still on the Premises at the expiration of this Agreement, remains with the CITY. The CITY is under no obligation to provide additional furniture or equipment or to replace existing furniture or equipment. Any furniture or equipment acquired or replaced by the LRCC for use on the Premises during the term of this Agreement shall belong to the LRCC.

**IX. MAINTENANCE, REPAIRS AND IMPROVEMENTS AT VISITORS INFORMATION CENTER:**

A. The LRCC has inspected the Premises and agrees to accept the same in the condition in which the Premises now are.

B. While the CITY shall have the right to enlarge or improve the Premises during the term of this Agreement, the CITY shall be under no duty or obligation to do so.

C. The LRCC shall not make any improvements or alterations to the Premises without the prior written approval of the CITY. Said improvements or alterations, if approved by the CITY are to be made at the expense of the LRCC unless otherwise agreed to by the CITY. Any improvements or alterations made to the Premises by the LRCC during the term of this Agreement must first be approved by the CITY, shall become the property of the CITY, and may not be removed from the premises without the prior written approval of the CITY.

D. During the term of this Agreement, the CITY will provide routine day-to-day janitorial services and maintenance of the Premises and surrounding grounds at the LRCC's expense, at a mutually determined cost. The CITY will be responsible for all major repairs (i.e., repairs costing in excess of \$1,500) to the Premises. The LRCC will be responsible for all necessary maintenance, repair or replacement of the furniture and equipment listed on Schedule "A".

E. For the purpose of performing its responsibilities hereunder, the CITY shall have the right to enter upon the Premises at such times as the CITY, in its sole discretion, deems necessary, and such right shall include the right to store on the Premises the parts, equipment, and materials necessary to perform such responsibilities.

F. The LRCC shall secure the Premises during and after each daily use, including, without limitation, locking all windows and doors and extinguishing all lights and all other electrical

appliances, and taking all appropriate security measures both during and after the LRCC's regular office hours.

#### X. VISITORS INFORMATION CENTERS' UTILITIES

The electric meter for the Premises will remain in the CITY's name. The CITY will pay for normal and reasonable electric usage and the LRCC will reimburse the CITY for the cost of such electrical usage within thirty (30) days after receiving a bill from the CITY.

The LRCC shall pay for all telephone and utility charges and all utility equipment arising from and needed for its use of the Premises.

#### XI. ASSIGNMENT OR TRANSFER OF AGREEMENT:

If the premises shall be damaged or destroyed by fire, the elements, the public enemy or other casualty to the extent that the Premises becomes untenable, the CITY shall have the option, at its sole discretion, of repairing the premises or canceling this Agreement without further obligation to the LRCC.

The CITY shall not be liable for any damage to or loss of any LRCC property or the property of any of its agents or employees, which is brought onto the Premises regardless of how such damage or loss may occur. It is expressly agreed and understood that the LRCC, its agents and employees, in placing their property in and on the premises, do so at their own risk.

#### XIII. INSURANCE AND INDEMNIFICATION FOR VISITORS INFORMATION CENTER:

A. The CITY shall provide for all risk fire and casualty insurance coverage on the improvements, additions, alterations and fixtures made to the Visitors Information Center Premises in the amount of their full insurable replacement value.

B. If the LRCC desires insurance against loss or damage by fire (multi-peril coverage) to cover its property located on the Premises including merchandise, inventory, equipment and business property, it shall be the LRCC's obligation to obtain and maintain such insurance.

C. Any provision in this Agreement to the contrary notwithstanding, the CITY and LRCC, to the extent that each are authorized so to do by the terms and provisions of any fire insurance policy or policies covering their respective properties located on the premises, hereby waive any and all rights to recover from the other and from their agents, servants and employees, for any loss or damage from risks ordinarily insured against under a standard fire insurance policy with extended coverage, but only to the extent that such loss or damage is covered by an insurance policy or policies in force and is collected by the CITY and LRCC, as the case may be. The CITY and LRCC each covenant and agree that they will, if a waiver of subrogation clause is not already part of their respective fire insurance policies, on or before the effective date of this Agreement, request their respective insurance companies to issue and attach to such policies a waiver of subrogation clause with respect to the other party, their agents, servants and employees.

D. The LRCC shall indemnify and hold harmless and assume the defense of the CITY, its agents, employees, and officials, from any and all liability, expenses, or claims which may be recovered from, or sought to be recovered from the CITY its employees, officials, and agents by reason of or on account of any property damage, injury, sickness or death of any person, which property damage, injury, sickness or death arising from the LRCC's use and operation of the Premises and the Lynchburg Regional Convention & Visitors Bureau. To effect the same, the LRCC agrees, at its expense, to obtain and keep in full force and effect at all times during its use and occupancy of the Premises, comprehensive liability insurance naming the CITY, its agents, employees and officials, as an additional insured, in the amount of \$1,00,000.00 per accident

insuring the CITY from the LRCC's use of the Premises. The LRCC further agrees to deliver to the CITY a copy of said insurance policy and a certificate of insurance showing the same to be in full force and effect. The insurance policy shall contain provisions requiring in the case of cancellation that the CITY be given thirty (30) days prior notice of such cancellation. The insurance required hereunder shall be primary and any insurance or self insurance maintained by the CITY shall be in excess of and shall not contribute with any insurance provided by the LRCC under this Agreement. Any deductibles or self-insured retentions applicable to required coverage shall be paid by the LRCC, and the CITY shall not be required to participate therewith. The LRCC waives all rights of subrogation against the CITY. In order to comply with this paragraph, the LRCC may add the CITY to its current insurance coverage rather than obtaining new insurance coverage, if that coverage meets the above requirements in all other respects.

#### XIV. NONDISCRIMINATION:

The LRCC agrees that in the use and operation of the Visitors Information Center Premises and the Lynchburg Regional Convention & Visitors Bureau, it will not, on the grounds of race, color, sex or national origin, discriminate or permit discrimination against any person or groups of persons. Furthermore, the LRCC agrees that it will not discriminate against and will make reasonable efforts to accommodate persons with disabilities as required by the Americans with Disabilities Act.

## **Lynchburg Regional Convention & Visitors Bureau Return On Investment Summery**

Methods of evaluation for the Lynchburg Regional Convention & Visitors Bureau will include Hotel/Motel tax revenues, Visitor Center visitation figures, group sales department group tours, bookings and print advertising campaign results. The LRCVB carefully selects how valuable advertising dollars are spent in order to achieve the maximum benefit for the Lynchburg regional area and attract visitors to the community at times when there is the greatest opportunity for occupancy and revenue growth. The department selects publications that most closely fit the target audience. In addition, most print advertising incorporate trackable systems for measuring success. The sales department efforts concentrate on soliciting association, corporate meeting planners, group tour operators, reunion planners and sports events rights holders to create meeting/group business for our area. Our bureau has a presence in many established tradeshow and other venues. Today, LRCVB moves ahead with a new direction at our Visitor Information Center to include rotating local and regional attraction exhibits, increased local and regional merchandising and a training program that will equip our travel counselors to help increase length-of-stay and return visitation. We look forward to continued partnerships with the city and the community in an increased effort at delivering visitors to the many Lynchburg regional area businesses who will benefit from their economic stimulus.

The return on investment is based on the following formula:

**Formula:** (Total # of Leads) X 20%\* (Estimated Conversion) X (3.6\* travel party size) X (2.0\* days length of stay) X (\$49.00\* per day) = **Dollar Amount Spent By Tourists**

(Total amount spent advertising campaign) / (Dollar amount spent by tourists) = **Return on Investment Ratio**
